

30 June 2010

The fund is invested in the Standard Life Investments UK Equity Growth Fund which aims to provide long term growth by investing in a concentrated portfolio of shares of companies listed on the UK stock market. The fund is actively managed by our investment team, who will select stocks to try to take advantage of opportunities they have identified.

The value of investments within the fund can fall as well as rise and is not guaranteed – you may get back less than you pay in. The fund may use derivatives for the purposes of efficient portfolio management, reduction of risk or to meet its investment objective if this is permitted and appropriate.
