

30 June 2010

The fund (before charges and tax) aims to closely track the performance of the FTSE* All-Share Index, allowing for reinvestment of dividends. The fund invests in a broad spread of the UK listed equities which are constituents of the FTSE* All-Share Index.

The value of investments within the fund can fall as well as rise and is not guaranteed – you may get back less than you pay in. The fund may use derivatives for the purposes of efficient portfolio management, reduction of risk or to meet its investment objective if this is permitted and appropriate.
